

YOUR PERSONAL LINK TO GLOBAL TRANSPORTATION AND LOGISTICS

The solution for your pallet storage needs

LEMAN USA - Your specialist partner offers short or long term warehouse space to fit your current and future needs. With more than 140,000 ft² of C-TPAT compliant and food grade licensed warehouse space, we can store your pallets in racks or directly on the floor.

Get the best use of a full range of services:

- Order processing, cross-dock, storage, drop ship, B2C, B2B, retail pickup, EDI integration, e-commerce fulfillment.
- Cost calculation per unit, pallet, sales value, square meters, cubic meters, or other commodity specific calculation.
- Inbound / outbound can be arranged through our LTL or courier contracts, or we can use your contracts.
- Dedicated customer service reps, order entry and inventory reports.
